_____ **House Account:** This account may be the best option for you if you are located near by and would prefer to come in to pick up orders. You may place an order by calling or coming in. the person who picks up the order will be required to sign a shipper showing that they have received the product. They will receive a copy of that shipper and an invoice will be sent out that same day. Terms on all invoices will be net 30. You may take a 1% discount if the payment is sent within 10 days of the invoice date. A statement will be sent to you at the end of every month, unless you request not to receive them.

_____ **Salesman:** You may want to select this option if you are located fairly far away and are going to be purchasing specific items on the regular basis.
